

# Year *of the* Book

Sponsored by SDSU's Common Experience  
and The Digital Humanities Initiative

*Year of the Book* is a series of conversations and a visual exhibition about how we look at the book, that "old" medium, in the digital age.

A partnership between SDSU's Digital Humanities Initiative and the Library, *Year of the Book* explores the book as medium, metaphor, and artifact-object from diverse disciplinary and methodological perspectives.
