

DH Virtual Lecture: Book Talk

Melody Jue (UC Santa Barbara)

Wild Blue Media: Thinking Through Seawater
(2020)

**THURSDAY, NOVEMBER 1,
12-1 PM**

*What would media and literary studies look like, underwater? In *Wild Blue Media: Thinking Through Seawater* (2020), Jue shows how the ocean can be a science fictional environment for defamiliarizing concepts, offering cold and briny contexts in which to rethink what it means to store and organize information.*
