# Digital Humanities Showcase &

"re-opening" of the Digital Humanities Center

**May 6, 2022**

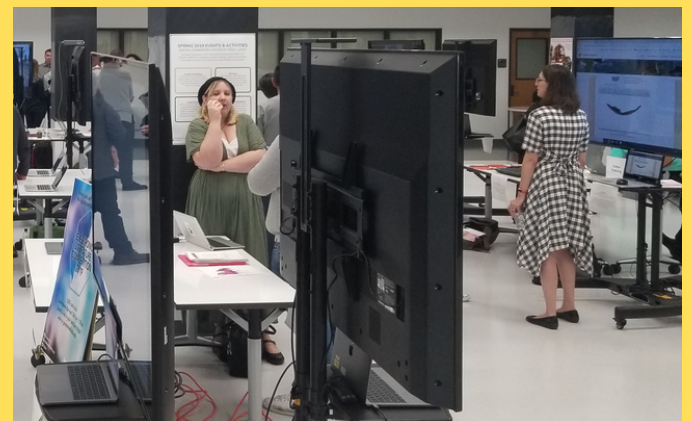

**10 am - noon**

The DH Showcase is our annual celebration of digital work at SDSU

This year we showcase work *from the past 3 years* (since Covid derailed our efforts in 2020 & 2021) by SDSU faculty, staff, students, and recent alum.

This will be a blow-out celebration & exhibition. Don't miss it!
