

Year of the Book

Sponsored by SDSU's Common Experience
and The Digital Humanities Initiative

Year of the Book is a series of conversations and a visual exhibition about how we look at the book, that "old" medium, in the digital age.

A partnership between SDSU's Digital Humanities Initiative and the Library, *Year of the Book* explores the book as medium, metaphor, and artifact-object from diverse disciplinary and methodological perspectives.

"Children's Literature and the Arts of the Book: Reflections in a Digital Age"
