

DH/Elit Virtual Book Talks

Mark Marino (USC) *Critical Code Studies* (MIT Press, 2020)

An argument that we must read code for more than what it does-- we must read code as text to understand how code means.

MONDAY, FEB 8. 12-1

Register at
teachdh.sdsu.edu/programming/

This event is part of the Spring 2021 programming co-organized by the DH Center
