DH Virtual Workshop

Introduction to Digital Pedagogy

Learn about different approaches to incorporating a digital tool or assignment into your classes. The workshop covers aligning digital assignments with learning outcomes, scaffolding and scaling assignments, and assessing student work. Whether you're new to DH instruction or a pro, this workshop can help you prepare for digitally-inflected pedagogy in the coming semesters.

Instructor: Dr. Pam Lach

FRIDAY, APRIL 9, 1-2

Register at teachdh.sdsu.edu/programming/

This event is part of the Spring 2021 programming co-organized by the DH Center
